Mrs. Coleman's News

Very well done to Year Two, who all performed beautifully at the Oldham Coliseum during the 37th Choral Speaking Festival on Tuesday morning. The boys and girls were the youngest participants and did incredibly well, reciting their poems confidently on the rather daunting large stage! Thank you to the Year 4 parents who attended the Multiplication Check information meeting after school on Wednesday. The slides are available on the Y4 classes page of the school website. Please keep an eye on your emails for future events for different Year Groups.

Attendance

Our attendance target is **96%**
Our whole school attendance total to date is **92%**

SCHOOL ATTENDANCE & PUNCTUALITY EVERY DAY COUNTS

Digital Stars

All our Northmoor children can be digital stars today as they can access learning from home. Please encourage your child to access MyOn for reading, Purple Mash for activities your teacher has set, TT Rockstars and Sumdog for maths practise.

Word of the Week

This week we have been busy discussing the word 'modelling' and thinking about the different models that support our learning in school.

Mr. Dunn Says...

Hello everybody,

It has been another very busy week here at Northmoor with the added excitement of snow! The boys and girls will need to bring their hats, scarves and gloves to school for a little while longer. In the event of extreme weather please check your emails before making the journey to school.

Year 4 had a sensational time at Tropical World on Wednesday this week, their behaviour was excellent, and they were a credit to our academy. Well done!

Have a lovely weekend, keep warm!

What's been happening this week?

Nursery

This week in Nursery we have been reading 'The Gingerbread Man'. We mixed the ingredients to make our own gingerbread men and decorated them with chocolate. In Maths we have been counting objects to 10

Reception

This week we have been reading 'Cave Baby' we have been describing the different animals in the book and creating our own cave paintings. In Maths we have been learning about odd and even numbers .

Year 1

This week in Year 1 we have been reading letters from Max and planning our reply for next week. In Maths, we have been using a number line to subtract one and two-digit numbers from each other. In R.E., we have been learning about religious stories of Islam and what they mean to Muslims.

Year 2

This week in Maths in Year 2 we have been learning about division. It has been quite tricky understanding how to group amounts but with our inverse knowledge of our times tables we have conquered it! We have come to the end of our topic about Florence and this week we have been comparing hospitals from then and now. Ask me what I know!

Year 3

This week, we have been writing delicious descriptions of the amazing Chocolate Room in Willy Wonka's factory. Ask us what tasty treats are in our room! In our Maths, we have been using our times table knowledge to help us with our division. Make sure to be a TT Rockstar!

Year 4

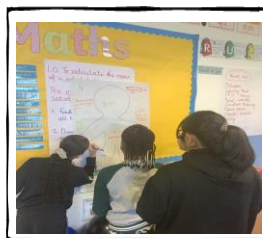

Year 4 have had a very exciting week as they have been to Tropical World in Leeds. They experienced some of the sights and sounds of the rainforest and took part in a workshop that brought together their science and geography work.

Year 5

This week year five have been working hard on fractions in maths. We have also been retelling the story of Ferdinand the bull and completed a story-woosh of the story on Monday. Here is one of Jet class being Ferdinand who was stung by a bee.

Year 6

This week, we have started our new novel Wonder. We are writing a diary entry from different character's points of view. On Tuesday, we used drama to discuss how the characters are feeling when different events happen.

Stars of the Week

Reception Ruby – Aisha for always being so enthusiastic about her writing.

Year 1 Sapphire – Nehan for brilliant sentences in his writing!

Year 1 Jade – Masheait for super phonics!

Year 2 Pearl – Mella for being a super mathematician this week in division!

Year 2 Topaz – Muhammed Mir for his effort in his learning this week.

Year 3 Coral – Jannah for settling back into school so well and always trying her best!

Year 3/4 Garnet – Amanha for always being so helpful without ever needing to be asked!

Year 4 Amethyst – Diesta for being such a wonderful, positive influence in class.

Year 4 Citrine – Feerozah for making very sensible choices.

Year 5 Jet – Tyson for super fractions work in Maths

Year 5 Zircon – Moiz for a wonderful attitude in Maths.

Year 5/6 Tourmaline – Alexia for her improved attitude towards learning.

Year 6 Onyx – Elisabeta for superb maths work on fractions!

Year 6 Aquamarine – Omera for brilliant maths work!
