Mrs. Coleman's News

A huge well done to our Year 6 pupils! I am extremely proud of your hard work and determination to being the very best you could be during your SATs this week. The children followed Mr. Hughes' advice, viewing their tests as an opportunity to showcase the many things that they have learnt during their time at primary school!

Attendance

Digital Stars

Our attendance target is **96%**
Our whole school attendance total to date is **92%**

**SCHOOL ATTENDANCE &
PUNCTUALITY
EVERY DAY COUNTS**

This week our digital stars are our teachers who took part in Sphero training after school this week. The teachers were taught how to use the robots so the children can continue to develop their coding and robotics skills.

Word of the Week

During a busy SATs week, the children have been discussing the word 'achievements' and what it means.

Everybody have been asked to think about their many successes and achievements so far this year. We have so much to be proud of!

Mr. Dunn Says...

It has been a week of achievements here at Northmoor. It is not only the pupils who have made us extremely proud, but also many of our parents! A huge well done to those who attended and completed the First Aid course on Friday! We have lots of parent workshops planned and look forward to working together again soon.

What's been happening this week?

Nursery

This week in Nursery we have been reading 'Walking through the Jungle' we painted pictures of our favourite safari animals. In maths we have been counting African animals.

Reception

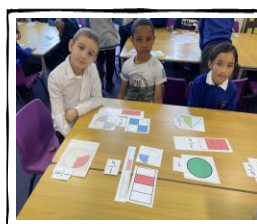

This week Reception were very excited to watch our chicks hatch. We were very gentle when we held them and thought they felt soft. In English we wrote lots of facts about the chicks. In Maths we have been using a number line to subtract.

Year 1

This week in year 1, we have carried on with our learning about Africa. We have presented weather reports to the rest of the class and have learnt about the human and physical features in Kenya. In Maths, we have been learning about division and have worked hard to divide amounts by 2, 5 and 10!

Year 2

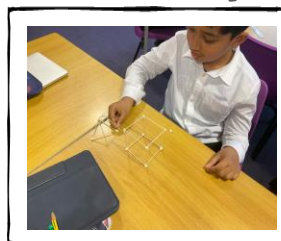

In Year 2 this week we have been learning about fractions from finding a fraction of a shape to finding fractions of an amount. Ask your child to explain how to group into sets to find a fraction. In English we have finished writing our setting descriptions. We have been making our sentences more interesting with different openers and similes!

Year 3

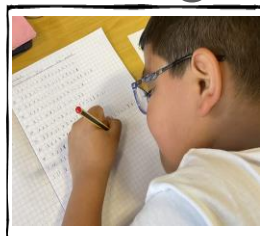

This week, Year 3 have been superb shopkeepers! We been masters with money whilst learning how to give change. In our English, we have been writing our own versions of Egyptian Cinderella. Ask us what happens to Rhodopis in our version!

Year 4

This week, year 4 have been learning about the properties of 3D shapes in maths. In English, they have been working hard on preparing to write a persuasive text.

Year 5

This week Year Five have been exploring Roman numerals during our maths session. It has been great fun seeing how Roman numerals are all around us. During our literacy lessons we have been writing a persuasive reply to Queen Victoria!

Year 6

A big well done to all our year 6 children for a brilliant week completing their SATs! To have a fabulous finish to the week, the children have had a sports afternoon playing team games.

Stars of the Week

Reception Ruby – Aadam for amazing independent writing about chicks!

Year 1 Sapphire – Ibrahim for super effort in his writing.

Year 1 Jade – Masheait for always doing the right thing.

Year 2 Pearl – Nuria for maths success and showing how resilient she is.

Year 2 Topaz – Resa for a resilient attitude to learning!
