## Mrs. Beesley's News

After school clubs returned this week and the boys and girls who attended enjoyed a variety of exciting activities. If your child is interested in joining a club, then please speak to their class teacher to find out more. Please remember that they **must attend every week** unless there is a valid reason for not attending. Missed sessions may result in the place being offered to another child on the waiting list.

Our coffee mornings started last week, and we were glad to welcome back some familiar and new faces. Please come and join us next Friday at 9am for a great opportunity to build new friendships, learn new skills and get involved in school life.

### Attendance

Our attendance target is **96%**  
Our whole school attendance total to date is **94%**

**SCHOOL ATTENDANCE &  
PUNCTUALITY  
EVERY DAY COUNTS**

### Digital Stars Wednesday 18th October

at **3:25pm**

For an **online  
safety for parents'** workshop with  
Greater Manchester Police.

### Reminders...

### Word of the Week

During assembly this week our word of the week has been **behaviour**. We revisited our school rules and what each means. Talk to your child at home and see how many of the **6 golden rules** they can recall.

School opens at **8:30am daily** for Breakfast Club.

At the end of the school day, children need to be collected by an appropriate adult. For parents of older pupils, consent may be given for your child to walk home alone when safe to do so- please discuss this with your child's class teacher. Children in EYFS and KS1 must be collected by either their parent or another appropriate adult (aged 16 or over). Thank you for your understanding.

# What's been happening this week?

## Nursery

This week in Nursery we have been learning the rhyme 'Twinkle, Twinkle little star'. The children have been singing the song and we have been making our own stars using glue, sequins and paper.

## Reception

This week in Reception we have been reading the book 'Supertato'. We had lots of fun making our 'Supertatos' to help save the day when the 'Evil Pea' visited our classroom and captured all the vegetables.

## Year 1

In Year 1 this week we went on a local area walk. We saw lots of interesting things. In English we have been describing the troll from 'The Three Billy Goats Gruff'. In Maths we have been learning how to find '1 more'.

## Year 2

This week in Year 2 we have been learning about addition in Maths. We used different equipment to add our numbers together. On Wednesday we visited Smithill's Farm as part of our countryside topic. Why not ask you child what their favourite part was?

## Year 3

This week Year 3 have been reading 'The Enormous Crocodile'. We have debated as to whether the crocodile should eat children and are building up to writing our story opener. In maths we have worked hard to add 3-digit numbers using the semi-formal method.

## Year 4

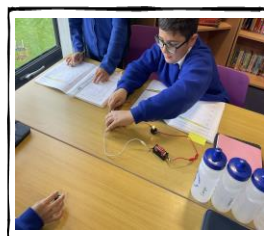

This week year 4 have been experiencing their first brass lesson. They showed great enthusiasm and commitment. We can't wait to see their Christmas concert.

## Year 5

Year five have enjoyed placing the Tudors in a timeline this week. we thought about where they fit on our timeline and also different events within the Tudor period.

## Year 6

This week, Year 6 enjoyed learning about how voltage is measured in a circuit. We had to complete different circuits and we had to decide whether the bulb was dim, normal or bright.

# Stars of the Week

Reception Ruby- Yaqub for super talking about 'Supertato'

Year 1 Sapphire – Aadam for reading every day at home

myON Champion- Nafisa read 24.5 minutes
