Mrs. Nash's News

This week I have enjoyed visiting all of the classes and meeting the children and the teachers. I have been made to feel very welcome and am looking forward to getting to know you all better in the coming weeks.

Tuesday 10th October is World Mental Health Day. Please help us raise awareness of mental health and how it is important to ask for help if we are struggling. As part of this week's homework, we are asking the children to talk about how they are feeling with their families.

Attendance

Our attendance target is **96%**
Our whole school attendance total to date is **94%**

**SCHOOL ATTENDANCE &
PUNCTUALITY
EVERY DAY COUNTS**

Digital Stars Wednesday 18th October

at **3:25pm**

For an **online
safety for parents'** workshop with
Greater Manchester Police.

Reminders...

Y4,5 and 6 need to bring their iPads and chargers (plugs and leads) in for testing on **Tuesday 9th October.**

Please can we remind you that hoop earrings should not be worn at school, only **small stud earrings** are allowed.

If you have made an appointment to speak with one of our Academy team, please can you let us know if you are able to attend. Thank you.

Word of the Week

During assembly this week we talked about our word of the week '**rewards**' and the rewards we already have in place to celebrate our successes. Mrs Coleman also asked us to think of other ways we can be rewarded which will be shared with the Children's Leadership Team.

What's been happening this week?

Nursery

Nursery have been learning about the body, we have been naming the body parts and labelling them. To help us remember we have been singing the nursery rhyme 'Heads, shoulders, knees and toes'.

Reception

This week we have been reading the book 'You Choose' We have been writing about which animals we want as a pet. In maths we have been putting numbers in the correct order.

Year 1

In Year 1 this week we have been retelling the story of 'The Three Billy Goats Gruff.' In Maths we have been adding using counters. In RE we have been thinking about which groups we belong to.

Year 2

Y2 have been writing instructions to make a sheep out of art materials. In Maths we are consolidating our work on addition & subtraction on unmarked number lines. In Computing we are learning to Code using Scratch!

Year 3

This week Y3 have had a terrible break in! The Enormous Crocodile destroyed our classrooms looking for juicy children to eat! We have been busy creating a newspaper report about what happened

Year 4

This week in year 4 we had a fantastic time meeting Sir Lenny Henry. He has inspired us to create our own alternative retelling of 'Perseus and Madusa'. In maths we have been looking at 2D shapes and their properties.

Year 5

This week in Year 5 we have continued with writing a diary entry. We were in role as Romeo and had to write about when he first saw Juliet and his love for her. We used lots of emotive language.

Year 6

This week in Year 6, we completed our Science experiment, where we investigated different scientific questions. One of the groups looked at how the number of batteries affected the bulb. They then used an app, which measured the brightness.

Stars of the Week

Reception Ruby- Adil for super writing about which pet he would choose.

Year 1 Sapphire – Mansur for trying hard with his spellings
myON Champion- Nafisa for reading for 1 hr and 38 mins
