Mrs Nash's News

A huge well done to our Year 6 pupils! Mrs Coleman and I are extremely proud of your hard work and determination to being the very best you could be during your SATs this week. The children followed Mr. Hughes' advice, viewing their tests as an opportunity to showcase the many things that they have learnt during their time at primary school!

Next week, we break up for half term after school on Thursday 23rd May. School will re-open on Monday 3rd June.

Attendance

Our attendance target is **96%**.
Our attendance total to date is **95%**.

Digital Stars

It is important that our children know what to do when they see something that scares them online. The below game helps children to make safe choices. Why not play it with your child today?

4-7s website - information for
parents and carers
(ceopeducation.co.uk)

Reminders...

As the warm weather approaches please ensure children are suitably dressed. The classrooms can get very warm so the children will be encouraged to remove their jumpers to cool down and also to drink plenty of water. When the sun is shining, I would advise that children come to school with a sunhat and suncream applied.

What's been happening this week?

Nursery

This week in Nursery we have been following our interests and we have been thinking about how plants grow. We have been planting sunflower seeds and we are very excited to see how tall they grow!

Reception

In Reception this week we have been learning about the lifecycle of a sunflower. We had lots of fun planting our sunflowers and creating our own Van Gogh sunflower art. In Maths we have been learning about weight.

Year 1

This week in Year 1 we have been learning about the features of a fact file. In Maths we have been learning about 3D shape, we took part in different activities including build and sorting with 3D shape, In RE we have been thinking about belonging.

Year 2

This week we have made mustard sandwiches. Next, week we will be writing instructions. In maths, we have been finding fractions of amounts.

Year 3

Year 3 have started work on our non-chronological report all about the gods and goddess of ancient Egypt. We have researched many interesting facts about some of the 2,000+ gods and goddesses and created some posters. We then presented our findings to the class.

Year 4

Year 4 have had a fabulous week learning how to use a 24hr and 12hr clock and to convert from and to an analogue clock. We have also been exploring poetry in English.

Year 5

In year five this week, we have been learning about percentages in maths and writing limericks in English. In RE, We have been learning about the work of different charities such as Islamic Relief and Christian Aid.

Year 6

A big well done to all our Year 6 children for a brilliant week completing their SATs! On Friday, we enjoyed taking part in a variety of activities such as football, rounders, cricket and dodgeball.
