### Word of the Week

This week we spoke about what how a good communicator shares information with others, both in the spoken and written language.

Word of the Week ...

Communicator

I predict that communicator means ... because ...

### Reminders...

Please make sure that dinner money is paid regularly on ParentPay so that arrears do not build up.

# What's been happening this week?

## Nursery

This week in Nursery we have been learning all about spiders. We have created spider webs using glitter and glue. We have also enjoyed playing in the spider tough tray to catch the insects!

## Reception

In Reception this week we have been reading the book 'Farmyard Hullabaloo'. We have been writing about our favourite farm animals that we saw at the farm and describing what they look like. In Maths we have been doubling numbers. We have had lots of fun this week in our pirate ship role play area using our imagination and hunting for treasure.

## Year 1

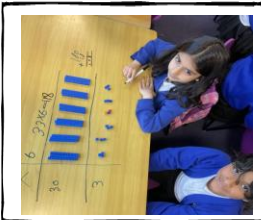

In Sapphire class this week we have been writing an alternative retell of Wilbur and Winnie: The Naughty Knight. In Maths we have been using arrays to complete multiplications. We also completed our Phonics screening check. We enjoyed role playing in our castle.

## Year 2

This week Pearl and Topaz Class have written a recount of their trip to Lytham St Annes. We used drama to describe our feelings. In maths we have been learning about multiplication..

## Year 3

This week year 3 have been super mathematicians and started to multiply using the grid method. We used practical resources to help us understand the method. We have also begun our Noble Nile topic and looked at the journey of the impressive river through 12 separate countries.

## Year 4

Year 4 have been using grid method to multiply 3 digit and 2-digit numbers. In English, we are writing a non-chronological report on our fictional monster. The highlight of the week has been the Viking workshop where we dug up artefacts and did battle scenes.

## Year 5

We have been writing an explanation text about 'How a monster is made', based on our work on Mary Shelly's 'Frankenstein' and in maths, we have been learning about decimals. In PSHE, we had a visit from the charity, NSPCC, learning how to keep ourselves safe.

## Year 6

**The Mystery of the Underground Blackout Theft**

During rush hour last night, all was not quiet as the London Underground was packed with commuters going home.

However, things were made even more complicated when all of a sudden all the lights and electric went out for 6 and a half minutes.

When they came back on, the ticket machines at one of the main line stations had all been broken into and the money stolen.

You are the chief detective in charge of the case. The names of Crime Officers (CCOs) and you need to find the culprit so that no incident like this does not happen again and the stolen money can be returned.

The fact that the lights were turned off while the theft was happening has pointed you towards someone who works on the underground in areas in the districts 3, 6 and 7 only.

Solve the following clues to eliminate all but one of the suspects listed based on their gender, the underground line they work on, the colour of the line, their height, and the zone they were working on.

This week, Year 6 have completed a short narrative about a group of children taking on a challenge, where they had to spend a night in the mysterious Darwood Manor. In maths, we had to solve a mystery by answering calculations. We had to eliminate potential suspects, which then left us with our culprit.

# Stars of the Week

Reception Ruby- Rameen for settling well into her new class!

Year 1 Sapphire – Muslihah for trying hard with all her learning.

Star Reader – Rayan for super reading using his phonics

Year 1/2 Pearl – Mah Noor for a super first week at Northmoor.

Star Reader – Irfan for great progress in phonics.

Year 2 Topaz – Aman for a great start at Northmoor

Star Reader- Masheait for 88 minutes on MYon

Year 3 Coral – Kieza for her determination and resilience, in the pool, swimming on her back.

Star Reader – Kareem for super reading towards his target

Year 3 Garnet – Hashim for an imaginative alternative ending to his story

Star Reader- Renas for excellent reading!

Year 4 Amethyst – Rakim for fabulous multiplication.

Star Reader- Edith for fantastic progress

Year 4 Citrine – Lina for massive improvement in behaviour and effort across all areas.

Star Reader - Jael for continuing to read at home and for projecting her voice during class reading.

Year 5 Jet – Nela for working really hard to learn her times tables!

Star Reader- Harley for doing lots of reading on MyOn

Year 5 Zircon – Aiza for wonderful effort in all her work

Star Reader- Ayaan for great reading

Year 6 Onyx – Omotola, for great improvement in her use of punctuation and grammar.

Star Reader- Massa, for completing several AR quizzes in the past week – well done!

Year 6 Aquamarine – Hiba for being a super role model!

Reader Champion- Rayn for passing this week's AR quiz!
