Ms Beesley's News

This week we welcomed His Majesty's Inspectors to our school. They visited classrooms and spoke to the children, teachers and parents about their experiences of school. The inspectors wanted to pass on their thanks for making them feel so welcome during their time here. We will share the report as soon as it is published.

Next week class assemblies start with **Amethyst Class** sharing their learning on **Thursday 3rd October** at 2:45pm and **Sapphire Class** on **Friday 4th October** at 2:45pm. If you are able to, we would love you to join us in celebrating the children's learning so far this term.

Finally, our word of the week this week has been '**tolerance**'. We learned that this means accepting people for who they are and treating them how we would like to be treated ourselves. We talked about the protected characteristics and the children recognised that these are important so that everyone is treated with fairness.

Believe, Achieve, Succeed Awards

Ruby- Ismael for trying hard counting objects.
Y1 Sapphire- David for trying hard in all his work
Y1/2 Pearl- Ariel for super maths.
Y2 Topaz- Rayan for always trying his best and Super Phonics work.
Y3 Coral- Praise for excellent resilience in Maths
Y3 Garnet- Sara for giving 100% effort all of the time!

Y4 Amethyst- Oakley for perseverance.
Y4 Citrine- Aaqib for using his voice and joining in with all learning.
Y5 Jet- Sharika for fabulous ISPACE openers.
Y5 Zircon- Iona for wonderful effort and attitude towards Maths.
Y6 Aquamarine- Tamema for being a wonderful friend!
Y6 Onyx- Humaira for always being AMAZING!

Digital Stars

Thank you to all the children who have completed their AR quiz this week. Please encourage your child to complete an AR quiz after completing their reading book.

Reminders...

If your child is unwell, please contact school to report their absence on 0161 260 0482 before 9am.

What's been happening this week?

Nursery

This week in Nursery we have been reading 'How to catch a star'. We have been thinking about ways to catch the star and we have made rockets. We have been creative in the workshop area and made magic wands and thought about making wishes!

Reception

This week in Reception we have been reading the book 'You Choose'. We have been talking about our favourite foods and the jobs we would like to do when we are older. In Maths we have been counting objects using 10 frames.

Year 1

This week in Sapphire class we have been using adjectives to describe the wolf from Little Red Riding Hood. In Maths we have been adding using part whole model. In Science we have been sorting objects into living, non-living and once living.

Years 1 / 2 & 2

This week in Pearl and Topaz class we have been describing the Wolf from Little Red Riding Hood. In maths, we have been adding. Year 1 have been using part whole models and year 2 have been using unmarked number lines.

Year 3

This week Year 3 tried their hand at making Mrs Twit's famous Wormy Spaghetti! Strangely, it tasted an awful lot like tomato pasta? Ask us all about the steps we followed and the instruction we wrote to help others make it too! In Maths we have been doing some AMAZING addition with 3-digit numbers! How impressive we were!

Year 4

In year four this week we have begun to think about the character Medusa. We thought of questions we would like to ask her and then we took turns in the hot seat at being Medusa.

Year 5

This week in Year 5, we have been drafting our diary entries from the point of view of Romeo. We have been wowing our teachers with our fantastic addition skills.

Year 6

This week, Year 6 enjoyed learning about how voltage is measured in a circuit. We had to complete different challenges, and we had to decide whether the bulb was dim, normal or bright.
