## Mrs. Coleman's News

Next week we are looking forward to Mr. Huges and Mrs. Hainsworth visiting on Thursday to talk to the pupils and staff whilst joining in with some lessons. As part of their visit, our first Parent Forum this year will be held online via Microsoft Teams at 2.00pm. If you would like to be involved, please send your name, your child's name, your child's academy, and your e-mail address to: [info@theharmonytrust.org](mailto:info@theharmonytrust.org) before the day of the meeting. This term, the theme of the Parent Forum is the 'Harnessing Technology Maximising Learning' (HTML) strategy and the roll out of the 121 devices scheme and Digital Lift Off Days. I look forward to seeing many of you next Thursday.

## Attendance

Our attendance target is 97%

This week our whole school attendance total was 95% -  
Very Well done!

**SCHOOL ATTENDANCE  
EVERY DAY COUNTS**

## Word of the Week

This week we have been discussing the  
word **'intention'**

and what it means. The children have been thinking about what they intend to achieve and our school aims.

## Digital Stars

Our digital stars this week are Mariam, Zakariyya and Hamida who all created amazing Stop Motion animations at home. Hamida then shared her screen and taught Amethyst how to create their own.

## Mr. Dunn Says...

Hello everyone – I hope that you have had a good week! I have some excellent news to share with you – our football team were joint winners at a local football competition yesterday! We beat Richmond 3-0 and then drew with St Hughes. Well done to everyone involved! And thank you Mr B for organising things!  
Have a lovely weekend everyone and I hope to see you bright and early on Monday morning.

# What's been happening this week?

## Nursery

This week in Nursery we have been learning all about our bodies. We have been drawing around our friends and naming the parts of the body. In Maths we have been counting and recognising numbers.

## Reception

This week we have been reading the story 'Funnybones'. We have been labelling the parts of the skeleton. In maths we have been counting objects to 20. Don't forget to log on to purplemash it would be great to see all your home learning.

## Year 1

This week in year 1 we have been describing the ugly, nasty troll in 'The Three Billy Goat Gruff'. In Maths we have been matching numbers to their amounts. In science we have been naming body parts and looking at our senses.

## Year 2

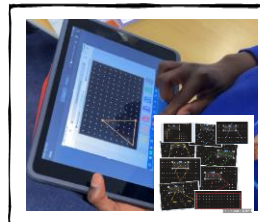

This week we have been reading 'The Tale of Peter Rabbit' as a stimulus we created Mr McGregor's garden and wrote a retell. In Maths we have looked at length. We have been measuring in centimeters and using rulers.

## Year 3

Year 3 had a big surprise on Monday when The Enormous Crocodile broke into our classrooms. We have done lots of drama creating our own news reports to explain what happened. What a crafty Croc he is!

## Year 4

In Year 4 this week we have been very busy learning about the properties of different types of triangles and quadrilaterals. We have used our iPads to make the shapes on an online geoboard and we were amazing!

## Year 5

This week year five have been working together to write playscripts to perform. We worked together using the ipad and sharing our work together.

## Year 6

This week, Year 6 have begun writing a short story about a scene from 'Dunkirk' about the Battle of Dunkirk during World War 2. The children will complete these next week. In maths, we've been revising our division skills.
