## Ms Beesley's News

Thank you to all the parents who have completed the survey to help us make our newsletter more informative, engaging and useful. There have been some helpful suggestions we will be using to improve the look and content of Northmoor News in the coming weeks.

In our assemblies this term we are learning about the 7 Habits of Happy Children. This week we considered the importance of being proactive and planning ahead. **At home you could discuss what your child could do to prepare for school the night before to make the morning routine calmer such as packing their bag before going to bed.**

Please can I remind all parents about the importance of supervising your children before school opens at 8:30am.

## Believe, Achieve, Succeed Awards

Ruby- Huy Phong  
Y1 Sapphire- Sumaya  
Y1/2 Pearl- Ha Bang  
Y2 Topaz- Eshal

### Parents' Meetings

Next week, you will receive a letter via School Spider regarding our upcoming parent meetings, if you haven't already done so, please download the **School Spider** app in readiness for booking meetings with your child's teacher at the end of next week.

### Dates for your Diary

#### **Tuesday 21st January**

Y5 Jet Class trip to Castleshaw

**Wednesday 22nd January** Year 3 Trip to Magma. Please arrive to school before 9am.

#### **Thursday 30th January**

Jet Class Assembly– Parents are welcome to attend- please arrive at 2:30pm for a 2:35pm start.

*Please be punctual when attending events, arriving late is disruptive for the children.*

# What's been happening this week?

## Nursery

This week in Nursery we have been learning all about 'People Who Help Us'. We have been role playing as vets and reading the book "Emergency" learning all about the different emergency services that can help us when we need them.

## Reception

This week in Reception we have continued reading 'The Gruffalo.' Children have been drawing and describing their favourite characters. In Maths we have been learning to subitise.

## Year 1

In Sapphire class this week we have been learning about the organs in our bodies. We drew around our friend and then placed the organs in the correct place. In maths we have been adding using the part whole model. In English we have been writing a character description of Kevin the koala.

## Years 1 /2 & 2

In English we have written a character description to describe Kevin. In maths, Year 1 have been finding missing numbers in number sentences and year 2 have been adding 2 digit numbers.

## Year 3

In Year 3 this week we have been writing out explanation texts on 'How to survive a volcano!' Why don't you ask us some tips on what to do if you visit a place with an active volcano? In Maths, we have been working super hard adding using our new method (column) and we have been regrouping ones and tens! What a wonderful week filled with lots of learning!

## Year 4

Year 4 have now begun their topic on rainforests and this week we have created our own terrariums. Why don't you ask us how they work and why we don't need to water them?

## Year 5

In Year 5 we have been writing Setting Descriptions of a riverbank! We will also be attending a trip to Castleshaw to see how rivers are formed!

## Year 6

Year 6 went on their residential trip to Robinwood. They had a brilliant time on the zipwire, giant swing, canoeing in the snow, solving puzzles in the dungeons and climbing to the top of the trapeze. Despite the snowy weather, it didn't stop them from having fun.
