Mrs. Coleman's News

We will be celebrating the Queen's Platinum Jubilee on **Wednesday 8th June**. The children are invited to dress in red, white and blue for the day, and will complete a range of exciting activities including enjoying an afternoon tea style lunch (outside weather permitting). As part of the celebration, you are invited to bake a royal treat to contribute to the Queen's Platinum Jubilee cake sale at 3:20pm on the day. Please note, school closes today for the May half term holiday and will re-open at 8:30am on Monday 6th June.

Attendance

Our attendance target is 96%

This week our whole school attendance total was
95%

Digital Stars

As upper well done to Year 4 who have created fantastic VLOGs using their iMovie app and their green screens. The children have really focussed on making their videos exciting using titles. We're very proud of them.

Word of the Week

This week we have been busy discussing the word 'Diversity' and what it means. The children have been celebrating their uniqueness, the languages they speak and the countries they are from.

Mr. Dunn Says...

Hi everybody,

What an amazing day it has been today at Northmoor! We have really enjoyed seeing the boys and girls (and parents) coming to school and celebrating our special diversity day. We have had children and adults in beautiful clothes and tasted all manner of delicious food. Fabulous day, thank you to all our families for your continued support. Have a lovely half term. Keep Safe.

Mr Dunn

What's been happening this week?

Nursery

This week in nursery we have been thinking about Diversity. We have celebrated all cultures and backgrounds and have been busy learning about new places around the world. We have enjoyed dressing up in clothes from different traditions and tasting food.

Reception

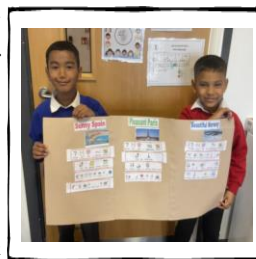

In Reception this week we have been learning about the lifecycle of a frog. We had our own tadpoles in our classroom to observe. In maths we have been learning how to share equally and halve amounts.

Year 1

This week in Year 1 we have been retelling the story of the "The Queen's Hat". In maths we have been measuring length and using the vocabulary to describe and compare different lengths. We have also been researching information using our iPads and then used the information to create posters about landmarks in Great Britain.

Year 2

This week we have been creating a leaflet for the perfect holiday using persuasive language. In maths we have been looking at number sequences both forwards and backwards. And topic our Fantastic finish was to create a holiday advert for the perfect holiday!

Year 3

This week, Year 3 have been writing amazing alternative retells of Egyptian Cinderella. In our Maths, we have been looking at horizontal, vertical, parallel and perpendicular lines. See if we can find you any around the house! We have also been busy creating amazing Egyptian art ready to display in our Egyptian museum. Can you create any at home this half term?

Year 4

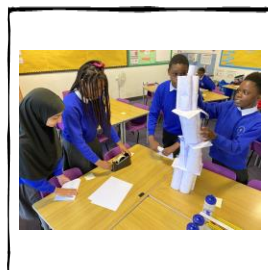

This week Year 4 have been writing an explanation text about how people survive in the Amazon rainforest. We have also been exploring the use of pastels and collage work in art to create rainforest pictures.

Year 5

Year five have had a very exciting week this week. We have had a visitor to school – Frank Corelli-Boyce who came in to talk to us about his books. We got to get our books signed and to ask him some questions.

Year 6

Year 6 have begun thinking like entrepreneurs, ready for our Business Enterprise project. Here they are working as a team, in silence, to construct a paper tower. We've talked about the skills they need to run a successful business and we can't wait to welcome you to our Business Enterprise Summer Fayre in a few weeks' time!
