Mrs. Coleman's News

Next week is Health and Well-Being Curriculum Week. Throughout the week, all children will engage in activities which will help them to follow the five ways of well-being and hopefully feel the benefits. The five ways of well-being are:

Connect: Each class will pair with a different class to take part in a reading activity.

Give: Each class will engage in an activity all about keeping our school environment tidy.

Take Notice: All children will complete a daily mindfulness task.

Keep Learning: Each class will learn a new skill.

Be Active: Each class will take part in a Sports Day event.

Please talk to your child about the different activities they will be completing and other ways we can support our mental health and well-being.

Attendance

Our attendance target is 96%

This week our whole school attendance total was 96%

SCHOOL ATTENDANCE EVERY DAY COUNTS

Digital Stars

Lots of children have signed up to play Google's Interland following on from their Internet Legends assembly. The children are taken through fun games that help them to understand how to stay safe online – play along with your child here:

https://beinternetawesome.withgoogle.com/en_uk/interland

Word of the Week

This week we have been busy discussing the word 'Physical' (well-being) and what it means. The children have been learning about different ways to maintain optimal physical health.

Mr. Dunn Says...

Hello everyone,
I hope that you have all had a good week. I just wanted to say a massive well done to all our Y6 children who are busily planning and organizing our **Summer Fair** - which is on **Friday 15th July** straight after school. There will be lots of things to buy, games to play and other fun things to do.
DON'T MISS IT!

What's been happening this week?

Nursery

This week Nursery have been reading 'The Teeny Weeny Tadpole'. The children have enjoyed making frogs using split pins in the craft area. The children have been busy collecting natural materials for the bug hotel. We cannot wait to show it to everybody!

Reception

This week in Reception we have been reading the book 'Deep Sea Dive'. We have thought about if we were divers what animals would we see. In maths we have been adding using a number line.

Year 1

Year 1 have been looking at division in maths this week by sharing amounts into equal groups. We have also been looking at the inverse and checking our answers by using our multiplication facts. In English, we have been writing a set of instructions for making scones!

Year 2

This week in year 2 we have been retelling the story of Grandma's Seaside Bloomers. We created drama based on the story and used contractions in our writing. In maths we have been learning about 3D shapes. Why not your child about the properties of shapes?

Year 3

This week, Year 3 have been writing our Plot on The Pyramid alternative re-tells. Ask us how we changed the story! In Maths we have been investigating, adding and subtracting fractions. We have also designed and created our own boats to float down The River Nile. How creative we were!

Year 4

Year 4 have been studying length and measurement this week in maths, as well as creating fantastic newspaper articles on deforestation. In their geography lessons, they have created terrariums to mimic conditions in the rainforest.

Year 5

This week Year Five have really enjoyed working on expanding our knowledge of co-ordinates. We have also retold the story of 'Frankenstein' by Mary Shelley. There has been some fantastic pieces written.

Year 6

This week, some of our Year 6 students spent time in secondary school – getting a taster of different lessons such as: history, science and art. The remaining students helped complete the products for our summer fair by designing, drawing and painting different products on offer.

Stars of the Week

Reception Ruby – Denis for ordering number to 10

Reception Opal – Praise for super contributions at carpet time.

Year 1 Sapphire – Sarah E for a great attitude towards all her learning!

Year 1 Jade – Mella for being a super helper!

Year 2 Pearl – Xhafer for always working hard all the time!

Year 2 Topaz – Bedrie for an excellent effort in our English lessons!

Year 3 Coral – Carolina for an improved attitude to learning and for trying her best!

Year 3/4 Garnet – Tahira for her unbelievable effort in all her learning!

Year 4 Amethyst – Arjona for making wonderful progress and really believing in herself.

Year 4 Citrine – Shamima for a phenomenal attitude to learning!

Year 5 Jet – Denis for super writing in English

Year 5 Zircon – Divine for a fantastic understanding of the 'Frankenstein' story.

Year 5/6 Tourmaline – Moon for her amazing persuasive leaflet!

Year 6 Onyx – Ayomide for excellent effort in English!

Year 6 Aquamarine – Favour for her hard work in her writing this week.

Firestone – Nela for her super transition into Year 3 and working so hard.
