Autumn Term 2022

Our topic for next term will be...

Ancient Greece is the Word!

We will be learning about...

The pupils in Year 4 will be learning all about life in Ancient Greece, key events that happened and how Ancient Greek people influenced our modern lives today.

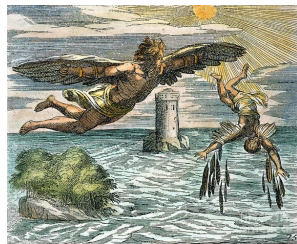

During the summer holidays, why not...

- ...research some Greek myths and legends?
- ...create a drawing of a Greek urn?
- ...find out about the very first Olympic games?
- ...discover what food was popular and what people liked to do in their spare time?
- OR anything you can think of!

English

In English we will be using Greek Myths to inspire our writing—thinking about the evil gorgon, Medusa and the tragic story of Daedalus and Icarus.

Maths

Towards the end of Year 4, your child will take part in a national test of their multiplication tables knowledge and speed.

You will receive further information about the 'Multiplication Tables Check' nearer the time of the test (June 2023).

In the meantime, please support your child in rehearsing all of their tables facts up to and including 12 x 12.

KS2 Summer Reading Challenge

Over the summer enjoy your new book 'Queen Elizabeth a Platinum Jubilee Celebration'. Research another King or Queen of England and create an information text about them. You could use Purple Mash, 2publish, to create a fact file.

You can also visit your local library or join in online and take part in Oldham Library's Summer Reading Challenge, 'Gadgerteers'

Important Reminders:

TT Rockstars, MyOn, Purple Mash and SumDog can still be used during the Summer Holidays!

Key dates:

Monday 5th September—back to school!
