Mrs. Coleman's News

The children have continued to make very positive impressions in their new classes and have produced lots of wonderful work this week. During assembly we talked about being 'Responsible' by following school rules and thinking about the qualities required to apply for one of the positions of responsibility within school. The boys and girls were reminded of the importance of coming to school dressed smartly and wearing the correct uniform. Please note, our uniform policy has been updated and can be found on the school website. A gentle reminder that only stud earrings are permitted for safety reasons. To support families, a uniform bank will be opening in the coming weeks, where you will be able to donate any unwanted items that you no longer need and hopefully find suitable replacements (please refer to the flyer attached to this email for further information).

As you are aware, we are in a period of National Mourning following the sad passing of Queen Elizabeth II. The date for the Queen's funeral is Monday 19 September 2022, and the Government has stated that this will be a Bank Holiday and that all schools should be closed as a mark of respect. Northmoor will be back open on Tuesday 20th September and normal attendance is expected.

Attendance

Our Attendance target is 96%

Attendance and punctuality is incredibly important as we begin the new school year. **We need every child to come into school every day, on time.**

Congratulations to last week's attendance winners:
Reception Ruby with 98.7%
Year 4 with 97.8%

Word of the Week

This week we have been discussing the word
'responsible'

what it means and how to be a responsible member of our school community.

Mr. Dunn Says...

Good afternoon everyone! I hope that you have all had a lovely week. Two reminders from me this week. First, if you have any flu vaccination letters that need returning to school, could you do that ASAP. Secondly - Year Two parents - could you make sure that you get the Farm visit letters returned to school with your signature and make your £10 contribution on ParentPay.

Thanks – Mr Dunn

What's been happening this week?

Nursery

This week we have continued to make new friends and play in the new areas. We have enjoyed listening to stories and playing with the puppets in the reading area.

Reception

This week we have been continuing to explore our new classrooms. We have had our first Music and Sports sessions.

Year 1

This week, Year 1 have been ordering and writing numbers in Maths. We have also been discussing our likes and dislikes and writing sentences using the words 'and' and 'because'. In Science, we have been learning about the 5 senses and the organs involved.

Year 2

This week we have been partitioning numbers in Maths developing knowledge of tens and ones. In English we have written a retell of 'The Town Mouse and the Country Mouse'. We also had our WOW starter for our countryside topic where we tasted lots of delicious food that would have come from a farm.

Year 3

This week, Year 3 have continued looking at the Twits, creating our own disgusting dish to feed to horrible Mr Twit! Why not ask us what we chose for our malicious meal? In our Maths, we have been finding 10 and 100 more and less. Test us on our knowledge!

Year 4

In Year 4 this week we have been refreshing our Spanish knowledge and starting to build on all our Spanish work from last year. We are very lucky to have some very clever children who already speak Spanish and they have been helping us with our learning!

Year 5

Year five have been retelling the story of Romeo and Juliet this week. We have wooshed the story and have written the opening of it in our own words.

Year 6

On Tuesday, Year 6 went to Stockport Air Raid Shelter as part of our World War Two topic. We explored the shelter and then walked to the museum to learn more about how people lived during the war. A great day had by all!
