Mrs. Coleman's News

After School Clubs started this week and were thoroughly enjoyed by all who attended. Please speak to your child's class teacher about the many activities available. I am looking forward to welcoming lots of parents into school at 2:30pm next Thursday to take part in the first Parent Forum of this academic Year. There will be an opportunity to find out about our school priorities for the year ahead and speak to Mr. Hughes directly.

Attendance

Congratulations to last week's attendance winners:

Year 1 Jade class with 97.7%
Year 4 Citrine class with 99%

Digital Stars

Our Year 3s are very excited as they have begun their HTML lessons in preparation for receiving their new iPads in the next week!

Mr. Dunn Says...

Hi everyone,

I hope that you have all had a good week!

I have been asked by our office team to mention to parents and carers, that if your child arrives at school after 9am, could you please bring your child to the office as we will need to log down the reason as to why your child is late for our records.

Thanks in advance.

Word of the Week

This week we have been discussing the word 'rule'

what it means and why we have rules in place.

What's been happening this week?

Nursery

This week in Nursery we have been singing the nursery rhyme 'Twinkle Twinkle Little Star'. We have thought about how we can get to the moon and have made some fantastic rockets.

Reception

This week in English we have been reading the book 'You Choose'. We have been talking about our favourite foods. In Maths we have been counting objects.

Year 1

This week in Year 1 we have been making and describing the troll from our class story 'The Three Billy Goats Gruff'. In maths we have been using objects to find 1 more than a given number.

Year 2

Year 2 have really enjoyed using instructions to make sheep this week. We have been using blank number lines to add numbers together in maths. We have also been learning new words such as 'rural' and 'urban'. Ask your child what they mean.

Year 3

Year 3 have loved reading 'The Enormous Crocodile' by Roald Dahl this week. We have written superb story openers about the crafty croc! In our Maths, we have looked at semi-formal addition and are practising our 2, 5, and 10 times tables. Help us practise at home!

Year 4

This week in Year 4 we have had our first brass lesson of the year. We were very excited to play our instruments for the first time. We can't wait to share what we have learnt with you. In English, we have been working on a character description of the scary Gorgon Medusa!

Year 5

This week we have continued our retell of Romeo and Juliet in English and in science we have been investigating balanced forces.

Year 6

Year 6 have been revising our adding skills in maths this week. In writing, we have started working on our evacuee diary entries, linked to Goodnight Mister Tom. Here you can see Mr Tom (Aron) being rather harsh to William Beech (Ayesh).

What's been happening this week?
