Mrs. Coleman's News

During assembly we discussed our word of the week 'safe' and ways to keep ourselves safe at school, home and also online. On Wednesday 23rd November there will be a parent workshop all about online safety and supporting your child to use their iPads safely at home. School Photographs will be taking place on Thursday 10th November. Please ensure your child comes into school wearing their school uniform.

Attendance

Please look out for the Attendance Information Leaflet attached to this week's newsletter email.

S Stay Safe: Don't give out your personal information to people / places you don't know.

M Don't Meet Up: Meeting someone you have only been in touch with online can be dangerous. Always check with an adult you trust.

A Accepting Files: Accepting emails, files, pictures or texts from people you don't know can cause problems.

R Reliable?: Check information before you believe it. Is the person or website telling the truth?

T Tell Someone: Tell an adult if someone or something makes you feel worried or uncomfortable.

Follow these SMART tips to keep yourself safe online!

Digital Stars

Our digital stars this week are all of year 3 for fantastic use of their new iPads!

Mr. Dunn Says..

Hi everybody, I hope you've had a good week. If you are going to any bonfire parties and firework displays this weekend, please make sure that everybody is safe, and follows the firework code. A gentle reminder to all our parents, we do not allow dogs on the school premises due to health and safety. Have a lovely weekend, see you bright and early Monday morning – Mr Dunn.

Word of the Week

This week we have been discussing the word 'safe' what it means and looks like in action.

What's been happening this week?

Nursery

This week in Nursery we have been reading 'The Tiger who came to Tea.' The children have enjoyed role playing in the 'Bakery' and thinking about patterns on tigers and cutting stripes for the tigers.

Reception

This week in Reception we have been reading the story 'Night Monkey, Day Monkey'. We thought about which animals come out at night. In Maths we have been working out 1 more.

Year 1

In year 1, we have been learning all about The Great Fire of London. In our English lessons, we have been reading 'Toby and the Great Fire of London' and made a huge collage of him! We then used adjectives to describe Toby's appearance and personality.

Year 2

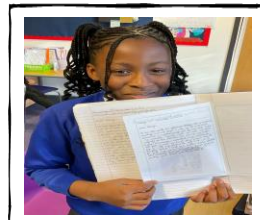

Year 2 went on a rocket into space for our WOW starter! We walked on the moon, learnt about the planets and how to remember their order and tried space food. It was out of this world! In Maths we have been partitioning numbers and in science we have learnt about micro-habitats.

Year 3

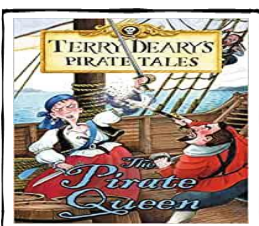

Year 3 have had a spectacular introduction to their new history topic this week! We had a wonderful day with Lucy, a visitor all the way from the Stone Age. We learned about how humans lived thousands of years ago, before studying bones, crafting our own arrows, creating beautiful cave paintings and having a go at Stone Age archery! What amazing archers we were!

Year 4

This week Year 4 have been writing all about CJ and his trip with Nana to the Last Stop on Market Street. In maths we have been solving place value problems.

Year 5

Year five have enjoyed becoming pirates this week and retelling the story of Grace O Malley the Pirate queen.

Year 6

This week, Year 6 have been researching information about The Blitz. We worked as a team to create posters about rationing, shelters and the blackouts. We will use this information to write a non-chronological report at the end of next week.
