Mrs. Coleman's News

To promote participation and celebrate pupil achievements, TT Rockstar and MyOn Champion trophies will be launched during Key Stage celebration assemblies next week. Please encourage your child to log on and complete their home learning - extra work at home really does make a huge difference. Thank you to everybody who came along to the IT workshop this week, I hope you found the session useful and informative. Please share your suggestions about any other workshops that would be beneficial in helping you to support your child's learning.

Attendance

Our school attendance target for this year is 96%

Please remember to report any absence to school from the first day of absence.

Word of the Week

This week we have been discussing the word 'Tolerance' what it means, feels and looks like in action at Northmoor.

Digital Stars

This week, our digital stars are our parents who came to the I.T. Workshop on Wednesday. They have been looking at online safety and building familiarity with the software the children are using.

Mr. Dunn Says..

Hi everybody, I hope you have had an exciting week! It's been another very busy week at Northmoor, and the children have been very busy with their lessons. The weather is getting a bit colder now, can you please make sure all children come to school with their coat. could the parents and children be careful and attentive when crossing the road at the back of school. There have been some near misses, and we would like everyone to arrive and leave school safely. Have a great weekend.

What's been happening this week?

Nursery

This week in Nursery we have been reading 'The Enormous Turnip' we have enjoyed acting out the story. We have role played in our 'Vegetable Shop' buying and selling food. In maths we weighed vegetables and used the words heavy and light.

Reception

This week in Reception we have been learning all about night animals. We have been using the word 'nocturnal'. In maths we have been ordering objects by size and using the words 'big, small, smaller, smallest'.

Year 1

This week, Year 1 have been learning about the Great Fire of London. We discussed how the fire start in Pudding Lane Bakery and made our own bread.

Year 2

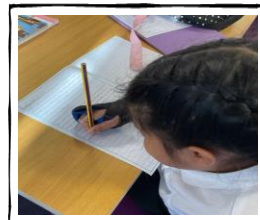

This week we have been finishing our text The Way Back Home and creating our own retell. In Maths we have been mastering money, recognizing coins and making amounts including in different ways. Why not ask me about using money?

Year 3

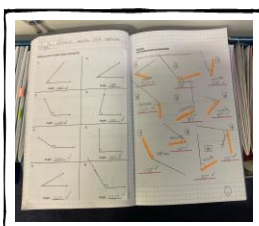

This week, Year 3 have been fabulous at fractions! We have used pizzas and cakes to help us understand fractions of shapes. We even made our very own perfect pizzas with different fractions of toppings! In our English, we have been writing a diary from the perspective of a Stone Age man. Ask us what we thought of our peculiar visitor wearing blue furs!

Year 4

In Year 4 this week, we have been impressing our teachers with our amazing decimal knowledge. In English we have written our final version of The Tale of Beauty and the Beast but with a twist as we have written from the Beast's point of view.

Year 5

This week year five have been concentrating on measuring and drawing angles in maths. We have worked very hard on a difficult task.

Year 6

Year 6, this week, have started their new topic on Genetics and Inheritance. We have been discussing the genetics you can inherit from your parents and how siblings can look different and can have different characteristics.
